7. Conditions of Application

It is important that you carefully read and fully understand the following.

Applicant's Social Security No.

I, the undersigned, understand that, under the UniCare plan for which I am applying, I may be entitled to lesser benefits if I use a nonparticipating hospital, physician, or other provider, than if I use a UniCare independently contracted participating hospital, physician or other provider.

All applicants age 18 and over must personally read, agree to, and sign the following. If an applicant does not read English, the translator must sign and submit the Statement of Accountability, Section 11, for translating this entire application.

Effective Date

If you currently have health coverage, we strongly recommend that you maintain your current coverage, and allow us to assign your effective date FOLLOWING APPROVAL. If, however, you would like to request a specific effective date, we strongly recommend you allow 60-75 days for underwriting. This will help ensure that your application is processed before you surrender your present insurance and will prevent you from being required to pay for two policies. Please note that surrendering your other coverage prior to approval of a UniCare policy could result in no coverage if the UniCare application is denied. NOTE: If you are adding a dependent, the effective date will always be the first of the month after approval.

If UniCare approves my application, please assign an effective date of the first day after UniCare's approval.

If UniCare approves my application, please assign an effective date of the

1st of the month following approval.

_____ (mm/dd/yy).

The effective date must be AFTER the signature date but not greater than 75 days from the signature date on this application.

REQUESTING AN EFFECTIVE DATE DOES NOT GUARANTEE UNDERWRITING TO BE COMPLETED BEFORE THE DATE REQUESTED. I UNDERSTAND THAT IF I SELECT AN EFFECTIVE DATE, ONLY UNICARE CAN CHANGE THIS DATE. ONCE THIS POLICY IS ISSUED, UNICARE CANNOT CHANGE THIS DATE UNDER ANY CIRCUMSTANCES.

Initial X _____

Billing Date

UniCare premiums are due on the 1st of each month. Insureds with a premium effective date other than the 1st of the month will be billed on a pro-rated basis to bring future due dates to the first of a month.

Family Split Application Option

UniCare offers different levels of premiums. Applicants with certain medical conditions may be offered coverage at a higher rate or tier.

The rating tier offered is determined during the underwriting process. Although each family member on the application is underwritten individually, the rating tier is applied to the entire family policy.

However, if you choose, you have the option to "split" the application. If you choose this option, once it has been determined that one or more applicants will be placed into a higher rating tier, the application will be split with the rated person(s) on one application and any remaining applicants processed separately.

This split may result in separate effective dates, separate billing and in the case of family applications, premium differences. In addition, if more than one policy is issued, separate annual family deductible and out-of-pocket maximums must be satisfied. For purposes of the HSA-compatible plans, multiple policies may result in a lower contribution maximum into a Health Savings Account. Please contact your tax advisor if you plan on opening a Health Savings Account to use in conjunction with the HSA-compatible plan that you are applying for under the Family Split Application Option.

If, after due consideration and discussing these options with your agent you would like to take advantage of this offer, please initial below.

I have read the above and understand that in initialing this I accept that in the event that one or more persons on my application is placed into a higher rating tier that my application will be split and, if approved, more than one policy will be issued. I have discussed this option with my agent and understand that my monthly premium, annual deductible, and annual out-of-pocket maximum may be affected. In addition, I understand that my family and I may receive separate bills and different policy effective dates.

Agreement (All applicants)

I, the undersigned, agree to the following:

1. I understand and agree to pay a separate non-refundable application fee of \$25 to be paid by check, electronic check option or credit card deduction and to also pay the premium amount required with this application. Payment for the premium is a deposit which will be returned if my application is denied, or applied to the premium charges if my application is accepted.
2. If my application for UniCare coverage is accepted as applied for, the coverage date will be as specified above, but I agree I have no coverage under this application until I am notified in writing by UniCare that my application is approved.
3. I understand that UniCare has the right to deny my application and if it does so, I will be notified in writing and the premium payment will not be processed.
4. **MINOR CHILDREN:** I represent that I have made such investigations as are necessary to assure the truth and accuracy of all statements made in this application regarding minor children.
5. **CONCERNING DEPENDENTS AGE 18 AND OVER:** I represent that my dependents age 18 and over (1) have read this application and have provided such full and accurate information necessary to complete this application, (2) I have discussed all provisions of this application, especially Sections 6A, 6B, 6C and 6D with them and (3) agree that all information contained in this application regarding them is complete and accurate.
6. I understand and agree that if UniCare rejects my application, under no circumstance will any benefits be payable for any person listed on this application. Receipt of money, and/or cashing of my nonrefundable application fee check or cashing of my premium check or charging [either of these amounts] to my credit card by UniCare does not constitute approval of my application or create UniCare coverage.
7. If I am accepted, this application will become part of the agreement between UniCare and myself.

8. UniCare may need to request additional medical information from my provider, and this may delay processing of this application. If the health care provider charges a fee for providing this information, UniCare will determine payment, and I will be responsible for any difference.
9. I understand that in considering my application, UniCare may use any information prior to the effective date of coverage, including medical conditions which occur after the signature date and before the original effective date.
10. The selling agent has no authority to promise me coverage or to modify UniCare underwriting policy or terms of any UniCare coverage.
11. I have personally read and completed this application. Nothing has been left off regarding the past or present health of anyone listed on this application. I understand that no one listed is eligible for benefits if any information on this application is false, incomplete or omitted. UniCare may void all coverage for all persons listed on the application from the original effective date of the agreement for such material intentional misstatements or

omissions. Any fraud or misstatements on the application may lead to rescission of the policy and, if applicable, possible disqualification of the HSA and adverse tax implications.

If the family member is a minor, I accept full legal and financial responsibility for the coverage and information provided on this application.

PLEASE NOTE: If the listed minor dependent does not reside with the applicant purchasing this plan, the custodial parent or guardian must complete the Health History Section and sign the Conditions of Application Authorization accepting legal responsibility for full and complete disclosure of the minor applicant, including any history of substance abuse. Also, if the responsible adult is not the natural parent, please submit court papers authorizing guardianship.

12. My UniCare agent may receive copies of any correspondence about my medical history when correspondence is required.

Authorization/Disclosure Statement

Some of the plans offered do not include all of the state-mandated health benefits. The Consumer Choice PPO Plans do not provide some of the state-mandated health benefits. State-mandated benefits not included are: 1) mental or nervous disorder including those with organic disease; 2) off-label drugs; 3) prescription contraceptive drugs and devices and related services; 4) telemedicine/telehealth. In addition, coinsurance differentials between participating and nonparticipating providers may be greater than 30%. Purchase of this plan may limit your future coverage options in the event your health changes and needed benefits are not available under this plan. Coverage for pregnancy is not available under any UniCare Individual and Family PPO Plan.

I authorize any health plan, physician, health care professional, hospital, clinic, laboratory, pharmacy or pharmacy benefit manager, medical facility, or other health care provider ("My Providers") that has provided payment, treatment or services to me or any of my dependents who are also applying for coverage to disclose entire medical records, prescription history, medications prescribed and any other protected health information concerning me or any of my dependents who are also applying for coverage with UniCare, including UniCare or its designated agent. This includes information on the diagnosis or treatment of Human Immunodeficiency Virus (HIV) infection and sexually transmitted diseases. This also includes information on the diagnosis and treatment of mental illness and the use of alcohol, drugs and tobacco, but excludes psychotherapy notes.

By signing below, I acknowledge that any agreements made to restrict protected health information does not apply to this authorization and I instruct any physician, health care professional, hospital, clinic, medical facility, or other health care provider to release and disclose entire medical records without restriction.

This protected health information is to be disclosed under this Authorization so that UniCare may: 1) underwrite my application for coverage, make eligibility, risk rating, policy issuance and enrollment determinations; 2) obtain reinsurance; 3) administer claims and determine or fulfill responsibility for coverage and provision of benefits; 4) administer coverage; and 5) conduct other legally permissible activities that relate to any coverage I have or have applied for with UniCare.

This authorization shall remain in force for a period not longer than 2 years following the date of signature below, and a copy of this authorization is as valid as the original. I understand that I have the right to revoke this authorization in writing, at any time, by providing written notification to the entity identified above. I understand that a revocation is not effective to the extent that any of My Providers has already relied on this Authorization to disclose information about me or any of my dependents who are also applying for coverage or to the extent that UniCare has a legal right to contest a claim under an insurance policy or to contest the policy itself. I understand that any information that is disclosed pursuant to this authorization is no longer covered by federal rules governing privacy and confidentiality of health information, but it will not be redisclosed by UniCare except as authorized by me or as required by law.

I understand that My Providers may not refuse to provide treatment or payment for health care services if I refuse to sign this authorization. I further understand that if I refuse to sign this authorization to release complete medical records, UniCare may not be able to process my application, or if coverage has been issued may not be able to make any benefit payments. I understand that any authorized representative, UniCare designated agent or I will receive a copy of this authorization upon request.

I understand and agree to all the Conditions of Application (Section 7). I understand that coverage is subject to the provisions in the Conditional Receipt (Section 12). Notice to Applicant Regarding Replacement of Accident and Sickness Insurance

APPLICANT'S SOCIAL SECURITY NO.

APPLICANT NAME	POLICY NO.

PLEASE NOTE:

This form must be completed, signed and submitted to UNICARE along with your completed application. Please keep the second copy of this "Notice" for your files.

Will this insurance replace any other accident and sickness insurance presently in force? Yes No

If yes, please supply the name of the other carrier: _____ and read the following information and sign below.

According to your application, you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by UNICARE. For your own information and protection, you should be aware of and seriously consider certain facts which may affect the insurance protection available to you under the new policy.

1. Health conditions which you may presently have may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on any application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.
